

The Next Step in Your Coaching Journey

Erickson + is an app and coaching community that provides our learners an opportunity to maintain and strengthen their coaching skills. It provides an effective bridge between the course learning and staying connected and continuing to grow after graduating with Erickson. Our mission for Erickson + is to create a community of coaches that are committed to keeping their coaching muscles strong and expanded. Our commitment to you is to provide relevant training and resources to help you develop regardless of what stage you are in your coaching career.

Who is it for

Erickson+ is for all Erickson students and graduates- no matter where in the world they come from or when they studied with us. It offers a place where we can all continue learning, to link up to practice coaching, where alumni can network and share their experiences, and also where we can connect around being solution-focused coaches committed to changing the world one conversation at a time. We are committed to providing support and a sense of community- not to mention relevant resources that help you to continue learning.
